Technical drawing of a mounting bracket, showing two views and dimensions.

Left View (Side Profile):

- Overall dimensions: 120mm (width) x 84mm (height).
- Mounting holes: 4x M20x1.5.
- Dimensions: 46mm (total height of mounting holes), 14mm (height of base), 30mm (height of base), 12mm (height of mounting holes), 12mm (height of mounting holes), 12mm (height of mounting holes).
- Base hole: $\varnothing 10$.

Right View (Front View):

- Overall dimensions: 98mm (width) x 86mm (height).
- Mounting holes: 2x $\varnothing 4.8$, 2x $\varnothing 6.6$.
- Dimensions: 72mm (width of mounting holes), 25mm (width of mounting holes), 8mm (height of mounting holes), 28mm (height of mounting holes), 30mm (height of mounting holes).
- Base hole: $\varnothing 6.6$.
- Radius: R16.5.
- Radius: R19.
- Dimensions: 45mm (width of base), 88mm (width of base).
- Dimensions: 4mm (width of base), 33mm (width of base).
- Dimensions: 1mm (width of base), 2mm (width of base).
